

♥ **BASEBALL?**

♥ **HISTORY?**

♥ **BEING A**  **?**

How about a hobby that combines all 3?

The Colorado Vintage Base Ball Association is entering its 20th year of playing base ball *the way it was meant to be played*: high scoring (ave. 29 runs per game); lots of action (on base 48% of the time); and well-played (*only* 20 errors). Rules, uniforms, and equipment are all representative of the

1860s. We have ballists from age 16 to 76. Practice starts in March, matches begin In April. For more information, visit us on the web at
